Exhibit B

Upon the receipt of an invoice(s), Lessor will provide Lessee with a Certificate of Acceptance matching the invoice(s) and a Supplement which will contain a rate, a Term and a lease/finance option that is determined by the Category assigned to such Product in Exhibit A. For each Product, the Supplement shall specify, as applicable, a Category 1.1 Rate, Category 2.1 Rate and a Category 3.1 Rate ("Category Rates").

These Category Rates shall be for the "Category Terms" as follows: the Category 1.1 Term is 60 months, the Category 2.1 and Category 3.1 Term is 36 months

The Lease/Financing options will be listed on the Supplement as follows: the Category 1.1 Type is a Lease with an end of Lease purchase option that is determined by the Lessor based on the Equipment's Fair Market Value ("FMV Lease"); the Category 2.1 and Category 3.1 Type is FMV Lease.

The "Category 1.1 Rate" shall be the rate per annum based on the LIBOR Swap (as hereinafter defined) minus 194 basis points, the "Category 2.1 Rate" shall be the rate per annum based on the LIBOR Swap minus 367 basis points, and the "Category 3.1 Rate" shall be the rate per annum based on the LIBOR Swap minus 367 basis points. The Category Rates for Category 1.1 shall be based on the weekly average of the three (3) year London Inter Bank Offer Rate ("LIBOR") Swap Rates published by the Federal Reserve Board for the weekly period ending on the Friday immediately preceding the issuance date of each Supplement ("Three Year LIBOR Swap"). The Three Year LIBOR Swap is published in Statistical Release H.15 and can be found at: http://www.federalreserve.gov/Releases/H15/data.htm in the Interest Rate Swaps' section thereof.

The Category Rates for Category 2.1 and Category 3.1 shall be based on the weekly average of the two (2) year LIBOR Swap Rates published by the Federal Reserve Board for the weekly period ending on the Friday immediately preceding the issuance date of each Lease Rate Supplement ("Two Year LIBOR Swap"). The Two Year LIBOR Swap is published in Statistical Release H.15 and can be found at: http://www.federalreserve.gov/Releases/H15/data.htm in the Interest Rate Swaps' section thereof.

For each item of Equipment leased or financed, the first monthly payment, due in advance, which shall in no event be later than December 26, 2007, shall include an amount equal to 50% of the Amount Financed (each, a Prepayment Amount" and the total of all Prepayment Amounts, the "Total Prepayment Amount") in addition to the monthly Rent payment, the Rent Rate for which shall be determined in accordance with the paragraph below. Notwithstanding anything in this Agreement to the contrary, Lessee shall pay Lessor a minimum of Ten Million Dollars (\$10,000,000.00) on or before December 20, 2007 to be applied towards the Total Prepayment Amount.

The following calculation will be used to determine the actual monthly Rent Rate payable each and every month in advance ("Rent Rate") per thousand dollars (\$1,000) for an item of Equipment or Financing as it appears on the Supplement ("Rate Calculation"). For the purposes of Rate Calculation the following will apply:
